QUYANA REWARDS - You pick the destination, we GRANT the rewards

Grant Aviation is proud to announce the launch of our new frequent flyer program, Qu yana Rewards. Qu yana Rewards members get credit for every paid segment on Grant Aviation. You can redeem a free one-way ticket for every 5 segments and a round trip for 10 segments, anywhere we fly. Rewards never expire.

5 segments = A FREE one-way ticket anywhere we fly!

10 segments = A FREE round trip anywhere we fly!

Best of all, you can use your rewards for travel for ANYONE you chose!

To enroll in the Qu yana Rewards, fill out our online application at www.FLYGRANT.com or ask for a form at a Grant ticket counter. Once you are enrolled, we will mail you a Qu yana Rewards card with your rewards number, which you will need to provide when booking all travel.

Even if you have participated in our previous frequent flyer programs, you will still need to enroll in this new program. Rewards from our past programs can be transferred to your new account if you present documentation to a Grant customer service agent.

Call 888-FLY-GRANT or (907) 543-2000 in Bethel and Emmonak to learn more and book your Qu yana Rewards today!

Why call it Qu yana Rewards? Although Qu yana is spelled many different ways across Alaska, it has one common meaning – Thank You. With great respect for our customers and our made-in-Alaska roots, Grant Aviation created this program as a way to say...Thank You, Qu yana, Qu yanna, Qu yanaqpak, Gracias!
